

Overly Reliant on the OEM? Not Anymore.

Injector training with immediate ROI

\$5,500 gets you comprehensive injector training, from PM to troubleshooting, on the following systems:

- Medrad Stellant
- Medrad Solaris
- Medrad Mark V
- Medrad Mark 7

When you complete an injector training course with Maull Biomedical (partner for level 1 training) or ISS (level 2 training), you will receive the following at no additional cost:

- \$2,500 credit for service labor, loaners, or parts (to use within one year of your course date)
- 5 PM kits/model

You will also have access to free technical support, and our always-advantageous prices on quality injector parts.
